experience

Chief Creative Officer

Recovers.org | December 2012—present

Helping communities prepare for and recover from disasters with grass roots organizing tools. Connecting people on the ground with the donations and volunteers they need by gathering smarter data and facilitating more efficient local response.

Projects: Ready.recovers.org, Neighbor.recovers.org

2012 Fellow, Austin

Code for America | January 2012—November 2012

Team with partner cities to **explore and research needs**. Find **viable possibilities** for technology to **nurture the citizen-government relationship**, then **build and launch apps across multiple platforms**. Host hackathons, connect people, and **represent the face of government innovation** and citizen participation.

Projects: Prepared.ly, ATXfloods, Cyclenearyby, Open Data Circle of Awesomeness, JFDcitizen, ColorMeTimbers, Hackathon Decision Tree

Self (Freelance Design)

Intersection for the Arts, Banned by the Bay, Rentalic, etc | April 2010—January 2012

Work with local non-profits and for-profit companies for social good **on branding, building websites, and constructing consistent messaging**.

Designer, Print/Web/Interactive

Babeland | August 2008—April 2010

Sell sex toys in a positive, healthy, way over the internet. Design and deploy weekly homepage features, and measure success. **Work with editorial and creative director** to create consistent, positive, and informative voice for events and promotions.

older experiences

Illustrator, Designer

Visual Ink | January 2007—May 2009

Graphic facilitation. Clients including: Hewlett Packard, FedEx, UPS, Cisco Systems, Ebay

Designer of Print and Interactive

Alta Book Center Publishers | October 2007—July 2008

Books and web tools that teach English and basic computer skills.

Gallery & Curatorial

Intersection for the Arts, Design | May 2007—September 2007

Gallery assistant and researcher for upcoming exhibits.

Red Ink Studios | February 2005—April 2008

Resident artist and wrangler of artists for shows and events at mid-Market gallery.
